PRESIDENT'S CORNER

The Poker Run is here - join us for the biggest event of the year!

If you only make it to a couple events every year, don't miss the Cedar Creek Lake Parrot Head Club Poker Run on July 15 and July 16!

Many of our members have been working hard to make this our biggest event ever. The party starts at Cedar Isle on Friday night with the pre-party featuring the music of Jerry Diaz. Jerry is a singer/songwriter that has been a big part of the music scene along the Texas Coast. If you have not had the pleasure of hearing Jerry, make sure you are there Friday night. We will be passing out sign up sheets and information for the Poker Run, selling the limited edition tie-die T-shirts and having a bunch of fun!

Saturday is the big day. Rick Warner and his committee will be registering participants for the poker run at Dos Port from 1:00am until 1:00pm. Participants will be on the lake all day following clues from one stop to the next collecting sealed envelopes with the poker cards and enjoying a great day. That night everyone will gather back at Cedar Isle to have their poker cards opened and find the winners!

The Saturday night party at Cedar Isle will feature Hannah's Reef, a great band from the coast. I have listened to bunches of tropical bands every year and Hannah's Reef is one of my favorites. Along with the great music, we will have live and silent auctions, raffle and whatever Laurie Wynne and her committee has cooked up.

If you don't have a boat or someone to go with call Rick Warner and he will find a ride for you. You don't want to miss this day!

Along with all this fun, this is our biggest fund raiser of the year. Don't forget your checkbooks - there will be great items to bid on and you would hate to go home without that one special item!

See you there.....Robert

Jimmy Buffett Loses Cell Phone in Margaritaville

If Bill Clinton was the victim of a crank telephone call, don't blame the Republicans - he can thank his fellow Democrat Jimmy Buffett.

It all started when a 22-year-old busboy at a Delray Beach, Fla., restaurant, Jason Martin, found the singer's cell phone on May 29 after Buffett and left.

Martin and his friends "were scrolling down the list on Jimmy's phone, going "Wow!" Martin told Palm Beach Post "Page Two" columnist Jose Lambiet.

The big names on Buffett's phone included Clinton, Al Gore and Jimmy Carter, country stars Clint Black, George Strait and Alan Jackson, actors George Clooney, Michael Douglas and Harrison Ford, and Microsoft chief Bill Gates.

On May 30 a Buffett friend called the cell phone number and Martin answered.

"He said I was a thief and a liar," Martin told Lambiet. "Then I called {Buffett's wife} Jane's number and she was nasty to me. So I told them I wouldn't give it back."

Buffett called the restaurant's owner, who fired Martin and notified police.

Martin soon received a visit from cops and a U.S. Secret Service agent because of Clinton's and Carter's numbers on the phone.

Martin surrendered the phone - but the memory card containing names, phone numbers and some addresses is missing.

Martin claims he didn't call anyone on the list, but according to the police report, he said some of his friends might have crank-called Clinton.

Buffett confirmed to Lamiet that "whoever had the phone may have called a couple of my contacts."

"It's a person's worst nightmare "

Happy Hour at the Tiki Hut!
April 30, 2005
Thanks Don's Port for a great time!

After the great time at the Tiki Hut we headed off to Cedar Isle where the dancing began...

The boats were abundant!

The Dancing Began!

Friends phlocked in!

Full Frontal Nudity was even seen!

The band was playing!

Some even thought they were in the band!

And if there wasn't enough room on the dance floor....well, why not the volley ball court?

Pizza was stolen!

**Pizza was eaten!
 Who's Pizza was that anyway?**

CCLPHC BAR CRAWL

Over 75 Parrot Heads phlocked in on boats to 4 personal outdoor bars. All the food was wonderful at all places and the weather was the best! Thanks to all the owners!

First stop, Kokomo, at Laurie Wynne's

Second stop, Baracuda Lounge, at Janice and Steve Bailey's

Then the whistle blew and we were off to Time Out, at Rick and Brenda Warner's,

Last stop was at Ed and Joe's where they put on the Ritz!

Some Parrot Heads were even seen cooling their pheathers off in the lake!

The CCLPHC Mascot was even seen at all stops! Thanks Tony and Phyllis for making sure he joined us!
