PRESIDENT'S CORNER

I would like everyone to give a big thank you to Laurie Wynne and Rick Warner for the great job they did on heading up the 3rd Annual Poker Run! This years Poker Run was a great success and raised about \$10,000 for our charitable work! Rick and Laurie along with over thirty volunteers worked hard to make this event a huge success. Wonderful job!

We have a busy fall on the way. In September we have the 3rd Annual Cedar Isle Charity Golf Tournament on September 17th at Kings Creek (sign us with Lew Talbot at Cedar Isle or call Laurie Wynne at (903-451-3224 or Tim Vaughn at 210-316-2433) followed by the End of the Summer Party at Cedar Isle. October brings the Cedar Creek Lake Parrot Head Club Bar Crawl - Part 2 on October 8th and the Annual Halloween Party on October 29th.

We are working on the possibility of a Parrot Head trip to Cozumel or Riviera Maya area in Mexico on the weekend of October 13 - 16 or October 20 - 23. We are looking at all inclusive resorts (air/hotel/food/beverages) for under \$500 per person. If you think you might be interested please call me or email me at renrob57@myway.com and I will put you on the list to contact if we can finalize the trip.

In December comes the Christmas parade, Christmas Party and adoption of families in need. Look at the Calendar of events and join us for some or all of the fun!

In this newsletter is the nomination form for the 2006 Board of Directors for your Cedar Creek Lake Parrot Head Club. Here is your chance! If you want to serve next year or know someone that would do a great job, nominate them before September 30, 2005. Everyone that is nominated and wants to serve will be listed on the ballot that will be mailed in October.

Robert

Island Party August 13, 2005

The message went out earlier in the week that the Island Party was canceled do to law enforcement concerns but some intrepid Parrot Heads decided that the party must go on and showed up at the island anyway. The group had a great time listening to music I supplied and talking about the recent law enforcement events around the lake among other things. It was decided by those of us that attended the party that we would not let the Game Wardens, TABC, or other law enforcement agencies run us off of the lake or out of our favorite watering holes. The sun was out, the water was warm, the wind was blowing to keep us from getting too hot. What else could a true Parrot Head want? Oh did I forget to mention that some beverages might have been consumed? It just goes to show that it's not the quantity of people that make a party but, the attitude of the Parrot Heads that make a Party! The party broke up at about 6:00 pm when we saw a storm heading our way. The intrepid Parrot Heads that attended were Ed and Pat Thompson, Larry and Cassandra Fowler, Blake Fowler, Christine Ellis, Chad Bowers, Jim Scott and his wife, and myself, Ben Wynne

Riddles In the Sand

July 28 - 31

Once again, if you didn't make it to Galveston, you missed one of the best parties around. Every year I have been wanting to experience the wonders of the Galveston Bay Parrot Heads and believe me it was worth the trip. The live music was unbelievable, the pool party was a blast, and of course the main event was superb! I can't wait until next year. As I sit here and reflect back, I wondered, why was there never any pictures for the newsletter after Riddles?

Now I know!! 'Nuff Said!

Racey News

Texas Motor Speedway will be the site for the Nascar Race on November 3rd, 4th, 5th and 6th. This will be the third from the last race of the season. It should be very exciting because this will be the chase for the championship. Hope to see lots of Parrot Heads out for this race.

BAR CRAWL - PART 2

Saturday, October 8th

You won't want to miss this one! Everyone had such a wonderful time on the first crawl so we thought we would have a second one.

First stop is at the Render's Dive Bar (with a grand opening of the new downstairs Buffett Bar!) Start at 2:00pm - the Render's house is the one in the cove behind the Lighthouse - plenty of boat parking! At about 3:15 the Crawl moves down the lake to the Mitchell's and Carew's (2 bars for the price of one!) Stops 3 and 4 are a closely guarded secret - you have to be at stop one and/or two to move on to three and four! Come on out for another great time. Bring your own beverages - food provided at all stops!
